

Community College

Call For Submissions

The Community College Interest Group focuses on the students and the community and how communication is fundamental to what we do as instructors. Some of the **thematic** panel ideas discussed at our conference in Monterey, CA are below. If you are interested in chairing one of these panels, participating or presenting or adding insight on one of these panels, or responding to the panel participants, please contact the interest group chair, Amy Edwards. If you are interested in presenting a “GIFTS” (a Great Idea for Teaching Students), contact the vice-chair Michael Brydges.

*You do not need to be a member of the CCIG to have a voice in our community. All WSCA participants are welcome.
