

Greetings!

The Health Communication Interest Group (HCIG) of the Western States Communication Association invites you to submit your papers, panel proposals, and/or pre-conference session proposals for the 2007 Western States Communication Association's annual convention to be held in Seattle, WA, February 16-20, 2007.

The Health Communication Interest Group invites program proposals and research papers exploring any aspect of issues related to health and communication, using diverse methodologies and it especially encourages programs that will relate to the convention theme of "Promoting Social Justice through Our Work." Collaborative research with other interest groups is also encouraged.

All submissions must be received by September 1, 2006 in order to be considered. Please refer to the WSCA website for more detailed instructions on submission guidelines.

Submissions should be directed to the contact information below. If you have any questions regarding submissions, or would like to talk about possible ideas, please contact me.

Cordially,

Tamar Ginossar, Ph.D.
